    ParentsButton --> MonoBehaviour
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin grey border containing the text 'MonoBehaviour'. Below it is a grey rectangular box with a thick black border containing the text 'ParentsButton'. A solid blue arrow points vertically upwards from the top center of the 'ParentsButton' box to the bottom center of the 'MonoBehaviour' box, indicating that 'ParentsButton' inherits from 'MonoBehaviour'.
