

Singleton< FoodNameManager >

```
graph BT; FoodNameManager --|> Singleton[Singleton< FoodNameManager >];
```

A UML class diagram illustrating inheritance. At the bottom is a class box for 'FoodNameManager' with a light gray fill. A solid blue arrow points vertically upwards from the center of the 'FoodNameManager' box to the center of the 'Singleton< FoodNameManager >' box, which is positioned above it and has a white fill. This arrow represents a generalization relationship, indicating that 'FoodNameManager' is a specialization of the 'Singleton' template.
