

MonoBehaviour

```
classDiagram
    class MonoBehaviour
    class BMazeMonster
    BMazeMonster --|> MonoBehaviour
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'MonoBehaviour'. Below it is a box labeled 'BMazeMonster'. A blue arrow points from the 'BMazeMonster' box up to the 'MonoBehaviour' box, indicating that 'BMazeMonster' inherits from 'MonoBehaviour'.

BMazeMonster
